

Inquiry Process

1

Choose a Good Question

- What am I interested in?
- What question will I explore?
- How will I find answers to my question?

2

Investigate My Question

- What sources do I need?
- How will I record my information?
- How will I share responsibilities with group members?

3

Analyze and Interpret My Findings

- What does my information tell me?
- What am I learning about my topic?
- What new ideas do I have?
- How has my thinking changed?

4

Share My Learning

- How will I share what I have learned?
- Who will be my audience?
- What actions can I take as a result of my inquiry?

5

Reflect on My Learning

- What did I learn from this inquiry?
- What new questions do I have?
- What did I learn about myself and the process of inquiry?
